

## LOCAL NEWS.

MONDAY EVENING, OCTOBER 14.

For this section rain, clearing in western portion of Virginia, no change in temperature, north-easterly winds, high on the coast.

**CORPORATION COURT.**—Judge J. K. M. Norton, presiding.—The grand jury, with Wm. Ramsey as foreman, presented true bills in the cases of Henry Anderson, colored, indicted for the larceny of money from the person of Harry Roe; Jos. Jones, David Thompson and Jas. Coleman, also colored, for feloniously shooting Jas. Jackson; Harry Price, colored, for breaking and entering a dwelling house, and Albert Lyles, for housebreaking and larceny; and not a true bill against Reuben Washington, indicted for housebreaking, and were discharged.

A petition upon the estate of G. Frank Kelly, deceased, was granted to Duff Payne, of Fauquier county, who qualified and gave bond in the sum of \$16,000. Dr. Wm. Parvis, C. W. Moore, and C. C. Carlin were appointed a committee to examine the city jail and report as to its condition to court.

C. C. Carlin was appointed to examine the official bond of City Treasurer Harlow, and report whether such bond is sufficient in all respects.

Julian Nelson and C. F. Hirston were granted certificates of character to enable them to apply for examination for admission to the bar.

The estate of Noble Smith, deceased, was committed to the City Sergeant for administration.

Com. vs. Jan. Nelson, indicted for stealing grain; jury and verdict of not guilty and prisoner acquitted.

The civil docket will be called to-morrow morning at 10 o'clock.

**ASSAULTED.**—The District of Columbia commissioners in board session on Saturday investigated the charges made by Hopewell Darnelle, audit clerk of the auditor's office, against Mr. John W. Daniel, cashier in the collector of taxes offices. It appears that last Wednesday Darnelle called on Mr. Daniel for the satchel in which it is customary to convey the money from the Treasury to the District building. Mr. Daniel was busy when Darnelle called for the satchel, and feeling sore over the interruption exclaimed: "You puppy, don't you come in here interrupting me." Darnelle expostulated and called attention to the fact that he was a gentleman and wished to be treated as such, whereupon Mr. Daniel made a jump for him striking him on the head. Darnelle at once reported the matter to the commissioners, who called on Mr. Daniel for an explanation of his conduct. Mr. Daniel claimed that he was impetuous and said he was sorry the thing had occurred. The commissioners warned him not to repeat the offense. Mr. Daniel is well-known in this city where he formerly lived.

**POLICE REPORT.**—Last night was rainy and cool with six prisoners and six lodgers at the station house.

The Mayor this morning disposed of the following cases:

Scott Butler, colored, arrested by Officers Brecken and Taylor for an assault on Manlio Robinson, also colored; Virginia Nelson, Alinda Roswell and Alice Kittie, colored, arrested by Officer Taylor for fighting, were fined \$2.50 each.

Wm. Butler, colored, charged with an assault on Richard Ward on the 1st inst., was fined \$10.

Richard Broadenstien and Pat. Doran, arrested by Officers Arrington and Brenner for disorderly conduct on the street, were fined \$1.50 each.

Samuel Carter, colored, arrested by Officer Davis, charged with being drunk on the street, forfeited \$3 collateral.

Hugh Stiller, charged with fighting on the street, had his case continued.

**DEMOCRATIC WORKING CLUB.**—The democratic working club was reorganized in Washington Hall on Saturday night. The following officers were chosen: Richard Roland, president; P. F. Gorman, J. I. Proctor, J. R. Shien, and Wesley Makely, vice-presidents; William Bayne, secretary; and William H. Smith, treasurer. Addresses were made by Messrs. Samuel G. Brent, Julian Hold, Frank Hume, and others. Resolutions were passed endorsing the democratic State ticket. The club has the names of 325 men on its roll, all of whom are good workers, and the club this year will take an active part in the canvass as heretofore.

**THE OPERA HOUSE.**—The Charleston News and Courier says of the Bell-Edis combination, who will commence a week's engagement here to-night: "The manner in which the audience witnessed the appreciation of the performances evinced that the programme was intensely interesting and amusing. The most interesting portion of the performance was the wonderful juggling and tricks by the original Magillon. The performances of this famous magician were simply wonderful and must be seen to be appreciated. After the performance one hundred valuable and useful articles were given to the holders of winning tickets."

**PUBLIC SCHOOL ITEMS.**—Miss Bettie W. Nevitt having sent in her resignation of her position as an assistant teacher in Washington school, and desiring to be relieved immediately, Supt. Carne has placed the 9th division, which she has been teaching, in charge of Miss Virginia Roxbury, substitute teacher of Lee school. As authorized by the City School Board, Supt. Carne has opened two additional half day divisions of Snowden school (No. 7 and 8), the first being of second grade, the second of first. Fifty-three additional colored male pupils have thus been accommodated.

**STILL MISSING.**—Nothing has yet been heard of Miss Susie Isabel Brown, daughter of Mr. Jas. Brown, who, as stated in the GAZETTE, disappeared from her home in Washington on Thursday evening last, and the fear that she drowned herself is growing. The report that she wrote a letter to her father saying that her body would be found in the Potomac is true.

**TO ENFORCE THE LAW.**—Mayor Downham to day instructed Capt. Webster and Lieut. Smith to give orders to the police force to report all barrooms that are kept open on Sunday. The Mayor says that there is too much drunkenness on the streets on Sunday, and he will rigidly enforce the Sunday liquor law.

**THE WEATHER.**—On Saturday night last this city and vicinity was visited by a mild lightning and thunder storm. Yesterday morning the weather was cold and raw, with a northeast wind and later in the day rain set in and continued through the evening and night. To day has also been rainy, cool and disagreeable.

Pain and dread attend the use of most catarrh remedies. Liquids and solids are unpleasant as well as dangerous. Ely's Cream Balm is safe, pleasant, easily applied into the nostril and a sure cure. It cleanses the nasal passages and heals the inflamed membrane, giving relief at once. Price 10c.

The most obstinate cases of catarrh are cured by the use of Ely's Cream Balm, the only agreeable remedy. It is not a liquid or snuff, is easily applied into the nostril. For cold in the head it is magical. It gives relief at once. Price 50c.

YESTERDAY was a raw, disagreeable day with rain in the evening and at night. In the morning the churches had fair congregations and a number of strangers were in the city, but in the evening and at night the streets were almost deserted and the churches were slimly attended.

**PERSONAL.**—The Misses Klinefelter, of Baltimore, are visiting the Misses King, on Prince street. Senator John S. Barbour was in New York yesterday.

THE STONERAKER CHEMICAL COMPANY, BALTIMORE, MD.

Gentlemen: In my honest opinion I believe the genuine Stoneraker's Liniment (of which the Stoneraker Chemical Co. are sole proprietors) is undoubtedly the best pain cure in the world. I have used other preparations that were recommended to me, some of which produced temporary relief, but I never in all my life used a remedy so sure, so positive, so soothing and penetrating as Stoneraker's Liniment. I have used it on both human and horse flesh, with the most flattering results. It cured every time. May its sales continue to increase until every suffering creature in the world is healed by its wonderful curative properties. The sincere wish of yours respectfully, J. M. MURPHY, 59 H. & N. E.
